Y3450E – 50 Ton industrial bottle jack

Model: Y3450E

Product: 50 Ton industrial bottle jack

Description: This powerful, heavy-duty 50 Ton Hydraulic Bottle Jack with high quality glide-action pressure pump is designed for hard-hitting commercial use, making large loads easy to lift. The lightweight jack is ideal for lifting farm vehicles, heavy-duty machinery, industrial construction equipment and more.

Features:	Benefits:
Light and compact construction	Small and easy to fit in the back of your vehicle as the jack does not take up much space.
Reliable overload protections	Stable construction with quality seals also includes overload protection.
Strong wide cast iron base	Stable enough to handle the load.
Hydraulic	No air required to operate
Ease of use	Long pumping handle that makes pumping more comfortable.
Premium European design	Recognizing the demand for high performance work shop products, Winntec sourced the best quality components and developed a range of premium work shop equipment which offers excellent value for money. Choosing Winntec means choosing certainty in terms of quality, functionality and after sales service. It's the experience which makes the difference !
Training available	Technicians can be professionally trained to use the tyre changer and get the maximum benefit from it.
1 year warranty	The machine will be repaired if there are any factory faults.
Spares available	Should you have a breakdown you will not have to wait for your machine to be repaired. If there is anything we don't have, we fly it in directly from the Suppliers.
Operational videos	Technicians can learn how to operate the machine by watching a video, which is easier and more simple than written instructions.
